Treat

Snow White's iconic apples get a wintery twist in this spice-filled side dish. It comes together in around 15 minutes, leaving plenty of time for other holiday activities.

Ingredients

- [4 medium apples](#)
- [200g light brown sugar](#)
- [1 tsp ground cinnamon](#)
- [¼ tsp ground nutmeg](#)
- [1 tbsp butter](#)
- 4 tbsp water

Method

1. Carefully core and slice the apples with an apple slicer.
2. Ask an adult for help with the stove. In a large frying pan make a caramel with the water, butter, brown sugar, nutmeg & cinnamon then add the sliced apple and coat with the caramel tossing them in the pan until tender. This usually takes between 14 to 16 minutes.
4. Plate up and enjoy! These apples make a wonderful side dish for porridge or desserts. For a quick treat, try adding them on top of a puff pastry square, fold it in half, and bake for a delicious spiced apple turnover.

Tip: If the glaze becomes too thick, thin it down by adding a tablespoon of water at a time until it is the right consistency.
